Dear Guests,

UPDATE: Nearby Construction

Greetings from where Hua Hin Vibes meet charming hospitality & gastronomy!

A neighbour with plot of land next to Let's Sea Hua Hin Al Fresco Resort in the south direction is building a low-rise condominium project.

Proper protections of noise and dust from 7.5-metres high fence with full time water spray in between the resort and the construction site is in place. Works take place only during the daytime after 8a.m. and finish by 5p.m. Monday to Friday. On Saturday, the work ends at 4p.m. (No work on Sunday, New Year Holidays, Thai New Year, and other 15 National Public Holidays.)

We value our guests' Holiday Time and anticipate the following:

- Major noise disturbance from foundation works (no piling bang) 19.08.2024-18.12.2024
- Minor to medium disturbance from the building works 05.01.2025 – 31.10.2025
- Minimal to no disturbance is expected *after 31.10.2025*

Some useful information:

- Let's Sea Hua Hin's Beach Restaurant: Full-Service Gourmet experience remains unaffected till 10a.m. (breakfast continues till 11a.m.)//Dinner as usual from 6p.m.// Lunch, afternoon tea, and beach service will be less effect from December 28, 2024.
- Gift Shop and Fitness Studio: expected not much effect from mid December 2024
- Swimming Pool Bar: expected not much effect from late December 2024; pool service will focus on serving at the other wing or the opposite zone away from the construction.
- Accommodation: we plan to limit the number of occupancy and assign the occupied rooms for reasonably less affected.
- Gaia Spa service will start at noon till late: Guests will have good spa experience during their lunch hour break and from 5p.m. till late.
- Day Explorer & Night Sensation: Some Discount for 'Authentic All-Around Activities' and more frequency of the free schedule shuttle transfer.
(With long plat of land at our resort and with different activities at different zones, we believer there will be some parts to relax in the resort during the day time too.)

If you have any concerns or inquiries, please contact us at your earliest convenience.

Sincerely,

Chusak Pichittanarak
